AB reported on the outcome of the HSBA meeting on 13 January. The HSBA committee ratified the recommendation (of the preliminary meeting of PC representatives on 22 December) to abandon the current application. The committee identified its support for one (or more) independent PCs on the periphery of the County, but wished to have no financial involvement in such an undertaking.

CW gave his personal opinion that any future application should be self-funding and financially separate from HBA. He also confirmed that £2,300 of the initial payment of £2,500 had been repaid to BADMINTON England. £200 had been retained to cover some of the initial costs paid for by HSBA and HBA; to be allocated 50/50 as incurred.

Those present then agreed unanimously that the consortium PC application was withdrawn, and the Executive disbanded

MF thanked everybody involved in the application for their considerable efforts.

Formal meeting ended 10.30am,
