

Speedminton® &  
Concrete Leisure

---

Schools/Clubs

A large, stylized white logo for Speedminton. The word "SPEEDMINTON" is written in a bold, italicized, sans-serif font, slanted upwards from left to right. The letters are contained within a white, elongated oval shape that also follows the same upward slant. A small registered trademark symbol (®) is located at the top right of the oval. The background of the entire page is a solid blue color with a subtle gradient and some faint white curved lines.

## Speed Badminton is easily accessible and very easy to learn for everyone.

This sport has such a great, quick learning curve but can also constantly challenge your condition. Boys and girls find it easy to pick up and the equipment with its sturdiness and a much longer lifespan than that of most other racquets sport make it the ideal activity for every youth club and school. We are already successfully working with several school sport partnerships and the Sport Action Zone. Speedminton is also now also being played in three special needs schools with great uptake of this new sport.

## Speed Badminton can be played by everyone from 10 to 99.

As a new sport it is virtually free of any prejudice against it. This gives you the unique opportunity to get people who are usually difficult to involve in sports to participate in sporting activities. Speedminton® offers an alternative for every active age centre as the racquets are very light and can be played even by more senior players.

## Speedminton® as a tool for promoting healthy lifestyle.

Speed badminton is easy to set up and can be played everywhere; so you can use this for inner city events or outside shopping malls or fitness centers to promote healthy living and your organization in an easy accessible way. Everybody can have a go and join in the fun.

## Speed Badminton is new and fresh.

Helping you and your organizations to improve your image and taking it up shows that you are on the cutting edge of the sports sector.

## Speedminton® is also very cost effective.

A complete school/youth-club package costs only £499 and contains 20 Speedminton® racquets, 3 tubes of fun speeders, 5 tubes of match speeders, 7 easy courts, 3 pairs of Gecko goal markers and two heavy duty Speedminton® bags. With the purchase of any school package, we will also give you a full day of coaching to introduce the sport to your facility and familiarize your coaches with this amazing new outdoor activity. Speedminton® will then give you ongoing support to further all your activities; this will include advertising your activities on our homepage (50.000 Hits and over 2000 Visits per month), help in organizing tournaments and establishing league fixtures.

We believe that the best way to understand how Speedminton® works is to see it being playing and to have a go yourself. Therefore, we offer a FREE demonstration of the sport.

If you have any queries about Speedminton®, please have a look on our website:
